***BRIDGE REPLACEMENT SUBJECT OF PUBLIC MEETING***

**GREENSBORO, NC (April 13, 2004)** – The City of Greensboro Engineering and Inspections Department will hold an informal public meeting to discuss the Billy “Crash” Craddock Bridge replacement on Thursday, April 15 from 4 to 7 p.m. Attendees will be able to view the NCDOT approved project design, which is 95% complete. Representatives from the City of Greensboro and design consultants Ralph Whitehead Associates, Inc. will be available to answer any questions regarding this important addition to the city streetscape. The meeting will be held at the Main Hall of the American Legion Post #386, 1206 American Legion Street in Greensboro.
